

MAKE GAHANNA YOURS

Adopt a Community Planter

Make an investment in your community: Adopt a Community Planter! The planters that line the streets of downtown Gahanna and the Creekside District are available for sponsorship! These beautiful downtown planters benefit all businesses, residents, and visitors by adding vibrancy to our city.

Every \$150 sponsorship helps provide the plant material and maintenance for one planter for a growing season.

Your generous donation will be acknowledged with a customized plaque set inside the planter, as well as online acknowledgement.

A great way to show your Gahanna pride all year long!

Yes, count me in!
